CASE NO. CV08-2495-R
CR90-0263-R

ORDER

Petitioner John G. Westine files what he calls a “request a Writ of Mandamus” to reduce his sentence.

Petitioner has filed several motions each entitled differently attacking his conviction on both claims of constitutional and statutory grounds. This has been done to get around the limitations on habeas corpus and modification limitations.

The petition is denied.

DATED: April 23, 2008.
